

# 5th NCGE

## Nordic Congress on Gynecological Endoscopy

11 - 14 June 2025 // Reykjavik, Iceland

### SPONSOR & EXHIBITION INVITATION WELCOME

The 5th NCGE 2025 will be in Reykjavik, Iceland 12-14th of June 2025.

We are happy to invite you to become a sponsor or exhibitor at the NCGE 2025 Congress.

NCGE congresses have been very successful. The congress has gained respect among professionals in the field and many of the leading experts in operative gynecology have participated; either as lecturer or in the lively discussion related to hot topics in the field.

The congress has high visibility within the medical and research community and gives optimal opportunity to mediate and learn what is new in the field, what treatment options we have and what can we learn from other countries and organizations.

The NCGE 2025 will be in the beautiful city of Reykjavik, Iceland. We are confident that the disputation of NCGE congresses and the location of the 2025 congress will attract many participants. In our experience, not only colleagues from the Nordic countries will participate but also from the Baltic and North see countries. We are very proud of the Venue; Hotel Hilton, which is situated in the center of Reykjavik and offers excellent exhibition areas.

In the NCGE 2025 congress we will continue to discuss the latest trends and innovations within gynecological endoscopy. The focus will be on treatment of benign gynecological problems with the use of laparoscopy, robotic surgery and hysteroscopy. The medical and surgical treatment of endometriosis, fibroids, bleeding problems and other topics will be covered, as well as genetics, imaging and artificial intelligence will be discussed with experts from around the world.

Overleaf you will find some examples of what your sponsorship could be, but sponsorships can also be tailored to the special needs and style of your particular company or organization.

We look forward to collaborating with you.
